

March 6 – 10, 2012

Exclusive in Switzerland!

JEFF HAMILTON TRIO

Jeff Hamilton is a technically perfect, versatile, creative and spirited Jazz drummer who has played – and still plays – with the greatest in Jazz such as Count Basie, Ella Fitzgerald, Oscar Peterson, Monty Alexander and countless others. He feels equally comfortable in big bands and smaller groups alike. After more than 10 years, Jeff is exclusively returning to Marians for this week. Don't let this opportunity pass you by!
