RAY VEGA'S EAST/WEST US JAZZ TRUMPET SUMMIT

feat. THOMAS MARRIOTT

The musicians and bands that Ray Vega performed and or recorded with, read like the who's who of the New York Latin music scene. These musicians include: Ray Barretto, Johnny Pacheco, Tito Nieves, Mongo Santamaria, Mario Bauza, Tito Puente and many others. Vega still performs and records as Lead Trumpeter in many exciting projects. This week, Ray Vega brings along the young, exciting trumpeter Thomas Marriott - exclusively to Marians!
